

WEEKLY REPORT FOR AGENCY CONTRACTS GROUP
FOR PERIOD ENDING
26 January 1988

1. Progress Report of Tasks Assigned by the DCI/DDCI:

No tasks assigned during this reporting period.

2. Items or Events of Major Interest that have Occurred During the Preceding Week:

25X1 a. Agency Contracts Group, Office of Logistics, issued a \$69,092.40 Delivery Order to Syncsort Incorporated. The order, on behalf of the Office of Information Technology, is for FY-88 licensing and maintenance of the Career Management Staff and Office of Security software systems used by 5 different Agency components.

25X1 b. ~~Agency Contracts Group~~, Office of Logistics, has negotiated a Firm Fixed Price contract with Hetra Computer & Communications for the maintenance of Agency-owned printers and RJE workstations. The contract, written on behalf of the Office of Information Technology is for \$444,109 and covers FY-88 requirements.

25X1 c. Agency Contracts Group, Office of Logistics, issued a Delivery Order to Spectrum Leasing Corp. for \$9,536 on behalf of the Office of Information Technology. The order is for an eight month lease of an IBM tape subsystem which will be replaced in May 1988 by new IBM tape technology which will meet expanding tape requirements and add capabilities that are not provided by current technologies.

d. Agency Contracts Group, Office of Logistics, issued a \$1,200 Purchase Order to Cullinet Software, Inc. to provide CPU access to the Cullinet Info-TSIS facility's computerized database. Info-TSIS is an interactive information retrieval service intended to assist Cullinet users in technical problem solving and software maintenance. The Office of Information Technology will query this Technical Support Information System for solutions to IDMS problems.

e. The Agency Contracts Group, Office of Logistics, completed negotiations with United Airlines for the FY88 lease, training, and maintenance of the Apollo Ticketing System used throughout the Agency. The Firm Fixed Price contract, on behalf of Central Travel Services, was negotiated at 90% off commercial pricing. The total FY88 cost is \$10,689.00, representing a negotiated savings of \$25,215.00 and a substantial savings over the FY87 total of \$90,365.00.

f. On 22 January 1988, the IC Staff sponsored another meeting of the NAPA project. The meeting that was held on 20 January by the Study Management Policy Group (SMPG) approved the Terms of Reference (TOR) that will be used as the initial S.O.W. to issue an RFP to NAPA. An RFP will be issued to NAPA during the week of 25 January 1988 with a reponse date of 5 February 1988. A technical evaluation of the RFP will be accomplished by the Study Steering Group (SSG) and a contract will be negotiated with NAPA during the week of 8 February 1988.

h. A contract is being written by General Procurement Branch, (GPB/OL) with Science Application International (SAIC) at the request of the Office of Global Issues and the Office of Near Eastern and South Asian Analysis for the purposes of setting up and conducting a conference on the subject of the domestic political developments and scientific momentum in India, Pakistan, and other Third World countries and how the situations in these countries could step up their nuclear activities. The conference will be held within the next four months with the results being made available within three months after the conference completion. SAIC will be inviting
